

Sunny, Yellow[:SPACE:]thing,1,1

```
graph TD; Sunny([Sunny, Yellow[:SPACE:]thing,1,1]) --> Rainy([Rainy, Grey[:SPACE:]things,3,3]); Rainy --> Sunny;
```

The diagram consists of two horizontal ovals. The top oval contains the text "Sunny, Yellow[:SPACE:]thing,1,1". The bottom oval contains the text "Rainy, Grey[:SPACE:]things,3,3". A vertical arrow points from the bottom of the top oval to the top of the bottom oval. A curved arrow on the right side of the top oval points back to its starting point. A curved arrow on the right side of the bottom oval points back to its starting point.

Rainy, Grey[:SPACE:]things,3,3
